GROUP OF INSTITUTIONS
Managed by Bethany Asram Ranni - Perunad

Dear Educators/Aspirants,
 We stand at a pivotal juncture in history, where the choice we make today will shape the world of tomorrow. As a pledge to harness the transformative power of education along with trending management - survival life skills, Bethany group of institutions have come up with an educational conclave which includes seminars competitions, cultural events, tournaments, digital fest, webinar, exhibitions and educators conclave from 15th January to 19th January, 2024 for the parents, students and teachers. As we embark on this collective journey towards a brighter and more sustainable future-India; on the concluding day, 19th January, we would have eminent speakers to have their voice on education, IT, media, agriculture and art & Literature, the topics which holds equitable frame in India of tomorrow. We invite you and your institution to be a part of this five day programmes scheduled at different venues of Bethany institutions where the flame of learning illuminates the path to a better tomorrow for all.
